

# Invitation to

# ISTMA Europe meeting

## in Sweden, Göteborg, Nov 29–Dec 1

The next ISTMA Europe Meeting will take place in Göteborg, Sweden, Nov 30–Dec 1, 2009, in close cooperation with 2009 Manufuture Conference ([www.manufuture2009.eu](http://www.manufuture2009.eu))

This ISTMA Europe meeting combines the benefit of an invitation to the Manufuture Conference "Implementation of a Sustainable European Manufacturing Industry", including dinner, lunches and reception of no cost to the participants. As a Member of ISTMA, you will be personally invited to this conference.

The formal ISTMA Europe Meeting will take place on December 1, directly after the Manufuture closing session and lunch. To take part in the full Manufuture conference will give us the opportunity to promote and give visibility to our industrial sector as well as an opportunity to meet and network with other industrialists, policy makers and members from R&D centres.

To benefit from this, as well as workshops, dinner and study visits to Swedish industrial and R&D organisations, we therefore suggest that you arrive on November 29 for the reception and depart on December 1 in the evening.

**IMPORTANT:** If you want to bring a new person to the ISTMA meeting, make sure that he or she registers on the Manufuture homepage, as this conference is by invitation only.

### The Preliminary Agenda for the meeting is as follows:

#### November 29

20.00 Reception Manufuture (at Universeum, 2 minutes walk from the hotel)

#### November 30

08.00 Swedish Fair – Registration Manufuture and meet-up with other ISTMA delegates

08.45 Manufuture Conference ([www.manufuture2009.eu](http://www.manufuture2009.eu))

Afternoon: Workshops (with focus on economic, ecologic and social sustainability in production)

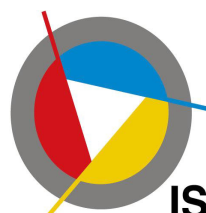

Evening: Dinner, ISTMA-group at own table

#### December 1

08.30 Manufuture final sessions – Study Visits  
Closing ceremony

13.30 Lunch

14.00–16.45 ISTMA Europe Meeting

We advise you to register to the Conference and book your hotel and flights within the next week, before the final program of the Manufacture conference is published. This will give you the best prices and options.

Host for the meeting will be Mr. Niklas Eidersjö, President of the Swedish Tool and Die Association (Svenska Form-och Pressverktygsföreningen, CEO of Richardssons). The global ISTMA partner Uddeholm Tooling will sponsor the formal ISTMA Europe Meeting, and give an overview of the Swedish Tool and Die market.

On the Manufacture homepage, you can find links to information on Göteborg, including travel arrangements.

Questions about the meeting can also be directed to Manuel Oliveira (ISTMA Europe Secretariat), Niklas Eidersjö (Swedish Tool and Die Association) [niklas.eidersjo@richardssons.com](mailto:niklas.eidersjo@richardssons.com) or Boel Wadman (Swerea IVF) [boel.wadman@swerea.se](mailto:boel.wadman@swerea.se)

A warm welcome to visit Sweden in the winter time!

*Best regards*

Manuel Oliveira  
(ISTMA Europe Secretariat)

Niklas Eidersjö  
(President of the Swedish Tool and Die Association)
